## **Discussion Questions**

1. In prayer, are you more concerned with aligning your will with His heart and will, or aligning Him to yours? What is the difference? Write about how this is important in capturing God's heart.
  
2. Repent means to turn around and make a change in behavior. Rabbi invited you to repent from a self-centered Gospel to a God-centered faith, which starts with God and His will and kingdom. If you did that today, write a few lines here and let Discovering the Jewish Jesus know about your adjustment in uplook.
  
3. God's will--on earth as it is in heaven-- begins with each of us here as we align our hearts with God. We bring His Kingdom to earth. Does this realization that you are His Kingdom agent here bring new vigor to your faith and walk? Describe how.
  
4. Are you finding that your heart is being captured by God as you try to capture God's heart through prayer?
