- Ephesians 6:17
- Revelation 12:11

Main Points

- Mysteries of the Kingdom are things that have been concealed, but in Jesus they are revealed to us.
- We move forward in the kingdom because Jesus is revealing mysteries to us by the Spirit.
- Power comes out of dependency on God.
- Breakthrough begins with having an attitude of receiving.
- We must have outflow in order to have breakthrough.
- Walking with God is not just about waiting on Him; it's about exercising your faith.
- There needs to be a balance between receiving and outflow.
- Real faith expresses itself.
- Yahweh-God's personal name
- God is always alive, always in motion, and always moving.
- The first mystery of the Kingdom is receiving and depending on God.
- The second mystery of the Kingdom is creating outflow with what Jesus has given us.
- One way we create outflow is by confessing God's Word.
 - Speak and declare God's Word over circumstances
 - Speak and declare God's Word over our feelings.
 - Speak and declare God's Word over what circumstances look like.
 - Even in salvation, belief in God's Word is coupled with confession to create new creatures in Christ.
- Belief and confession work together.
 - What you confess is where you will go mentally and spiritually.
- When you confess God's Word, you are going to receive the promises of His Word.
- We can change the spiritual atmosphere of our lives by being active with the Word of God, by the Spirit of God.

Discussion Questions

1. Today's teaching brings balance to the Christian walk...the posture of receiving from God and then utilizing things received to bring about God's kingdom in our lives. In what areas would you like to have the atmosphere of your life changed? Begin to write down some things that you know God declares in His Word for you. Continue your conversation with Him about those things.

2. God's very name, Yahweh, denotes action. To change the spiritual atmosphere and drive out darkness we declare God's Word to the world we see and the world that is unseen. Does this encourage you today to become more militant in your walk with God? Write a little about this subject.

3. How has your understanding of this subject of outflow changed through this teaching? Are there things that you need more understanding about? More clarity? More faith? Begin with some initial scriptures. Declare the Word today.

4. Do you want a natural experience today, or a spiritual experience?
How can using your sword change your perspective and your world today?
