Main Points

- God can use believers in the lives of government officials that don't share our faith.
- God wants to use His people to affect government.
- Let us be salt and light, let us not give up and retreat!
- We need to believe in the sovereignty of God.
- God has a story that He is working out in human history.
- We have to believe that God sovereign and His plan is being worked out.
- Jesus came to bring the Kingdom of Heaven to earth.
- Whenever God is reigning on earth, the Kingdom of Heaven is present on earth.
- The Lord is still sovereign and has a purpose and a plan.
- God has called us as sons and daughters to influence every sphere on this earth.
- This country was founded by people who were believers in the Scriptures.
- The phrase “Separation of Church and State” is not in our founding documents.
- Government should not control religion, but neither should it exclude religion.
- It is important for Christians to pray for leaders.
