Ways to Increase in Love

Main Points

(From Mt Zion in Jerusalem, Israel)

- God saves us to bring glory to Him
- To walk in holiness means to walk in a way that is separate from the world.

- One of the primary good works that we can increase in is loving people.
- When we are walking in love, we are walking in victory.

Discussion Questions

1. Paul's prayers are not just for himself but others; That they would receive divine wisdom and walk it out in what way? How does this fly in the face of much of present day teaching on God and our fulfillment? Why *did* God save us?
2. What is our calling? Describe the life we are called to live in Him. As a basis, use the many scriptures referenced above that Rabbi gave out regarding this calling.
3. Why can we expect resistance and persecution if we obey His command to go and tell? How can this prove the very calling we have been given? What does the Word of God have to say about this?
4. What is the nature of the abundant life? Is it a constant or does it grow? What is a primary work of the life of victory?
