# *God's Supernatural Presence: Messiah in You*

## **Main Points**

- The written word of God is living and active.
- If you are a child of God, He is in you!
- We need to become more dependent and more conscious of God's presence in our lives.
- We're led predominantly not from what's happening on the outside, but from what's happening on the inside.
- God speaks to us when it's important for Him to speak to us, in His own way and in His own time.

## **Discussion Questions**

1. The Messiah inside of you is considered a New Testament mystery. Receiving Jesus in us transforms going to the temple to meet God to our being the temple of His Spirit. How conscious are you of the indwelling Spirit of God in your life? Begin to take note of the scriptures that refer to this concept in your own Bible study.
  
2. What are some steps that you can begin to practice today to help you be more Spirit conscious? What part should the Word of God play in this process? What about prayer and the discipline of silence before Him?
  
3. Rabbi used the illustration of flipping a coin to determine every step/decision he had to make in order to satisfy his sense that he understood God's leading correctly. God led him to greater dependency upon the voice of God internally, rather than on this external method. Can you relate to this illustration in your own life? How has God helped you to connect to His supernatural internal presence—His divine nature of which you are a partaker? (2 Peter 1:3-5) How would you like to see this grow?
