### **Discussion Questions**

1. What did Rabbi mean when he spoke of praying for a Kingdom mindset?
2. Our life can bring God one of 2 different emotions. What are these? Write a little about this and next to God's Word how you perceive your personal relationship with God to be. What thoughts and actions bring pleasure to Him? What might be grieving Him? Begin to ask God to bring revelation to you about this question.
3. How can you create newness in atmospheres and geographical locations? What is the spirit of creativity and how can our presence as believers bring growth and good to our cities and towns?
4. As you pioneer for God wherever you go, how will you manifest God in those places? When you are not able to see changes manifest in the physical world, what can you be certain is happening in the spiritual realm? Does this help you persevere in difficult situations?
