Discussion Questions

1. What is the biggest part in clothing ourselves in His nature? Once you make the choice, will the fight disappear? Think of some situations in your life in which you must chose to fight in order to overcome temptations and fleshly ways. What are some strategies that might help you in the battle? For example: Joseph **fled** when tempted by Potiphar's wife.
2. What is encouraging about the law of similarity and dissimilarity? As you become more like Jesus, you can actually know more of Him.
3. As you internalize Father's love in greater degrees, what will happen in your life? Begin praying for more living revelation of this powerful knowledge. Search out prayers by the writers of the New Testament that touch on this area and then commit them memory. Hint: These are often found within the first chapter.
4. When will we fully know Him? Will this journey of needing to internalize His love in greater ways ever be finished here in our bodies?
