## Discussion Questions

1. What do you think Rabbi meant when he said that messianic prophecy is more sophisticated than we sometimes think?
2. Today, Rabbi summarized different kinds of prophecies we can identify in Scriptures: Types and shadows. Typological prophecies, and predictive prophecies. Write about each one and what they are all about. Match each one with an example from the Bible.
3. Predictive prophecies are scientific. What does that mean? Give some Biblical examples of some.
4. Describe the Jewish belief in Messiah. Describe the Biblical Messiah. Why is ours a greater understanding? How does this encourage you?
5. What does Micah 5:2 teach us about Messiah? Isaiah 9:6? John 8:58? John 1:1?
