Main Points

- When you are moving forward in your faith, the enemy will respond by attacking you.
- Spiritual attacks:
 - 1. Recognize that you are being attacked.
 - 2. Enter your spiritual stronghold.
- Pentecost Acts 2 and Shavuot Exodus 34
- During Pentecost, God gave a supernatural gift to speak to others in a different, **real** language.
- When believers are given a supernatural gift to speak a different tongue, it is usually not a known language, but instead a **prayer** language.
- Gift of Tongues:
 - 1) Ability to speak in a known language you have never learned.

- 2) Ability to speak in a supernatural language, to be used in a corporate gathering with an interpreter.
- 3) Ability to speak in a supernatural language, that is for the benefit of the **believer.**
- The gift of tongues as a prayer language is available for all believers.
- A **prayer language** is the burden of your soul being released by the Holy Spirit so you can connect with God in a very deep and real way.
- **During Spiritual Attacks:**
 - 1) Can go into a stronghold by using your prayer language.
 - 2) Can go into a stronghold by being still and quiet while alone before God.
- The Hebrew transliterated word D'vekut in English means "to cling to something."
