## EPIISODE 2

Series: *How Judaism and Christianity Separated*

### Introduction

In episode 1, *The Separation*, we learned that Judaism and Christianity were never supposed to be two separate religions. In this episode, Rabbi explains what sin among the Chief Priests and Pharisees of Jesus' time caused the disconnect between Judaism and Christianity.

### Fill in the blanks from Episode 2.

→ Jesus came to           **FULFILL**           that which had been spoken about through Moses and the prophets. (Deut. 18:14–22, Luke 24:27)

→ Jesus brings the Old Testament to its           **CLIMAX**          .

→ Judaism gave           **BIRTH**           to Christianity, and Jesus           **FULFILLS**           Judaism.

→ The separation of Christianity from Judaism was rooted in the Pharisees'           **JEALOUSY**           and fear of Jesus. (John 11:47–53)

→ The religious system of the Jewish people was centered on these three things:

**SACRIFICES**

**TEMPLE**

**PRIESTHOOD**

→ After the Temple was destroyed, Jewish leaders had to reinvent Judaism. Jewish leaders replaced the sacrifices with **LITRUGY** and

**PRAYERS**.

→ Today's form of Judaism, established in 90 A.D., is known as **RABBINIC** Judaism.

And it was developed by the Pharisees who wanted to kill Jesus and their sons.

## Key Points

→ It was really the jealousy of the Pharisees and Chief Priests that led to the separation of Judaism and Christianity.

→ The Pharisees and Chief Priests feared Jesus—having performed miracles and spoken with authority in the Temple—would take away their power both religiously and politically.
