

## A Season of Divine Revelation & Acceleration

**Father God,**

We call upon You with faith and expectation. Thank You for Your faithfulness in the past season, and we step into this new year trusting You for *great and mighty things*—things only You can reveal and accomplish—more than we can ask for or imagine. Set us free from anything that ties us to the past so we can step into the new things you have for the ministry and all that you are releasing for 2026.

- Lord, renew Rabbi Schneider's strength and anoint him with **fresh fire and boldness** for this new year.
  - Guard his health, protect his mind, and empower him to proclaim Your truth without compromise.
  - Bless Cynthia with wisdom, grace, and divine insight as she ministers through her writing and leadership.
  - Surround them both with peace, joy, and divine protection, and let their lives continue to impact the world.
  - Protection – Father send Your Mighty warring angels on behalf of Rabbi and Cynthia and their family.
  - We pray that hearts will perceive and receive the transition of Rabbi cutting off his peyos as being completely led by the Holy Spirit.
  - We pray that You King Jesus, bring unity among supporters and strengthen their connection to You through Rabbi as he walks out his life in transparency and openness to Your will.
  - We Pray that supporters will be encouraged to be completely obedient to You Lord in their own lives through Rabbi's example.
